

## Kid's Kingdom Afterschool Program Newsletter September 2018

Welcome back! We had a great summer but now we are looking forward to the new school year. We have lots of exciting things planned for you this year and we can't wait to get started! But first ... **Parents**, just a reminder.....please dress your child according to the weather, as we still spend a lot of time outside. As the school year starts up, daily **homework club** will resume. It will be held every day after school from 3:30-4 pm. If you have any special requests, concerns or questions, please contact the teachers so that they will be able to help you.

**\*\*Please note: Kid's Kingdom will be closed on September 3rd for Labor Day.\*\***

The first week of this month we will be devoting to grandparents. We will discuss how important grandparents are to us and how that make our lives richer. We will be making picture frames, a fingerprint bookmark, a grandma family tree and a card. We know our grandparents will love these things!

The second week we will devote to All About Me. We will get to know the children better and learn some interesting things about them! We will be making silhouettes, an All about Me flower, and an I'm special mirror. Our science project is our all time favorite....playdoh!!

The third week we will devote to Fall and leaves. We will discuss nature, leaves and things that happen in the fall. We will make leaf rubbings, a Q tip fall tree painting, and a fall tree craft. Our science project will be a very interesting one involving pine cones! It will be interesting to see the results!

The last week of the month we will devote to apples We will be making an apple stamping craft and a paper plate apple craft. We will have an apple tasting test to see which kind of apple is our favorite and our science project will be apple volcanoes! Wow, you better come and see how that turns out!!

Every Friday we will continue to have a special snack and movie in the afternoon. Toys from home will be allowed on Fridays, but not electronics. The game side will also be open. It's nice to have everyone back and we are looking forward to a great year!!

Miss Candy
