

Kids Kingdom

April Newsletter....After School Program

Yay! Spring is finally here! We can now enjoy this beautiful weather. Parents, please remember to dress your child appropriately for the changing weather...light jackets, sweatshirts or sweaters are still needed to go outside for recess. Homework club continues daily from 3:30-4pm. If you have concerns, questions or requests, please feel free to talk to the teachers.

****** Reminder....Public schools are closed in April for vacation. Kids Kingdom will be open as usual. Please let the teachers know whether your child will be coming to the daycare that week. It will also be Spirit Week! Notices will be posted as to daily activities.******

We have lots of fun things planned for this month! The first week is all about zoo animals. Our crafts will be a shredded paper lion, paper plate flamingo and a color by number elephant. This week's science project will be planting flowers!

The second week is all about Easter and things associated with it. We have some cute crafts planned such as a finger painted Easter craft and chalk bunny art,. Our science project for this week will be coloring Easter eggs! Let's see how imaginative we can be!

The third week, which is public school vacation, is all about The Week of the Young Child. We will talk about what it is to be a good friend and how our words affect others. Our activities will include friendship word searches, friendship bracelets and a lesson on the use of kind words. This week's science project will be a color changing flower experiment! Don't forget!... This is also Spirit week, so check the schedule.

The fourth week is Earth week. We will talk about our environment and things we can do to save our earth. We will also learn about recycling and how to recycle. Our crafts will go along with recycling. We will make a milk carton bird feeder, a green house and a straw plane. We will also work on an Earth day word search!

The last week is all about bugs and insects. We will make a tissue paper dragonfly, pom pom spider and more. And for our science project.....our favorite... PLAYDOH!!!!

As usual, our Fridays are fun days. The children can bring in toys from home, we have a special snack and watch a movie. Please come and join us! It promises to be a great time!
