The whole month will be about celebrations! We will look at how other countries celebrate the holidays, talk about Hanukkah and Christmas. We will be making some great crafts and decorations! Here are some of our crafts....a tissue paper dreidel, Star of David, a Kwanzaa woven mat, paper plate wreath, a spiral Christmas tree and more!! There will also be some great science projects... peppermint oobleck, candy cane cloud dough and one named Chemical Reaction!! Wonder how that one will turn out???

The last week of 2018, we will be getting ready to ring in the New Year. We will be making crafts for our own little celebration!! As always, Fridays are Fun Fridays! Children may bring in toys from home and we will watch movies, have special snacks and there will be free art time.

We want to wish you and your family Happy Holidays and a happy New Year!!!
