

Kids' Kingdom

March Newsletter for Preschool/Pre K 2019

Welcome to March!! Like the saying goes, March comes in like a lion, goes out like a lamb! By the end of this month, we are hoping for some nice spring weather. Parents, even though the weather is getting warmer, please remember to dress your child appropriately. Now would be a good time to check the clothes in their cubbies to make sure they are appropriate for the weather and still fit.

Our curriculum is based upon the RIELDS and goals are made with those standards in mind. This month we will be working on the letters S, T, U, numbers 14 and 15, color green and the shape shamrock. Our math/science goal will be to recognize numbers 14, 15, use them for one to one correspondence and to gather information to make a prediction. Our language/literacy goal will be to recognize letters S, T, U and make predictions in a story. Our physical health goal will be to refine the skill of catching/throwing a ball. Our creative arts goal will be to express themselves through music. Our social/emotional development goal will be to respect the personal space of others. Our social studies goal will be to understand the concept of time. Our cognitive development goal will be to understand that people have different opinions.

March 2nd is the birthday of Dr. Seuss! Don't forget to wish the Cat in the Hat a happy birthday! As usual we will enjoy green eggs and ham!

The first week of the month we will be talking about different kinds of weather. We will make tissue paper kites, thunderstorms, paper plate umbrellas and windsocks!

The second week we will celebrate St Patrick's Day by making rainbows, pots of gold, glittery shamrocks headbands and a shamrock wand. We will be doing an experiment called "walking waters". Can't wait to see what happens! At lunch we will even use green food coloring to color our milk! Don't forget to wear your green!!

The third week we will celebrate Spring and the activities associated with it. We will make cherry blossom trees, spring wreaths and a handprint flower. We will be making dish soap silly putty and talking about stranger danger.

The fourth week we will be talking about farm animals and what happens in spring on a farm. We will be making a paper plate rooster, fluffy sheep and a painted pig. We will be reviewing our letters from A-U and our numbers 1-15.

This is going to be a great month! We want to wish everyone a very happy St. Patrick's Day!

Ms. Candy
