

Kid's Kingdom

September Newsletter for Pre K 2018

Welcome back everyone!! We had a great summer but it is nice to be back to a brand new school year! We have many exciting things planned that we can hardly wait to get started! But first..... **Parents:** please remember to label **ALL** of your child's belongings so that nothing gets lost or misplaced. A **full** change of clothes should be left in their cubby throughout the year....season appropriate pants, shirt, underwear, socks and a sweater/sweatshirt. Accidents happen and we want to be prepared. Also, we will continue to go outside to play so please dress your child accordingly, with sneakers or sandals with backs as the best footwear for playing on the playground.

*****Please note.. Kid's Kingdom will be closed on September 3rd for Labor Day*****
****Grandparents Day is celebrated here at Kid's Kingdom. This is a special day where Grandparents are invited to come join us for the morning to spend time with their grandchildren. We will be posting the date so please be sure to look for it*****

This month we will be working on the letters A,B,C, numbers 0,1,2, color red and the shape circle. Our math/science goal will be to identify the numbers 0,1,2, rote count to 10 and understand the concept same/different. Our language /literacy goal will be to identify letters A,B,C and to attentively listen to a story to recall details. Our physical health and development goal will be to engage in large muscle control activities. Our creative arts goal will be to learn to use various art materials. Our social/emotional development goal will be to form adult bonds and new peer friendships. Our social studies goal will be to recognize that we are part of a group. Our cognitive development goal will be to follow classroom rules

Our first week of the month we will be celebrating grandparents' week: We will have a special day set aside where they can come in and spend time with their grandchildren. We will have a special craft for them to do and a delicious snack. It's always fun to have our grandparents come in!!

The second week will be "All about me"! This is where we get to know our children better and learn some interesting things about them. Our crafts will be an All about Me flower, hand prints and paper plate faces.

The third week will be all about fall. We will talk about the wonderful changes that happen in fall and make some great crafts. We'll be making sunflowers, fingerprint fall trees and a gray squirrel. We have an interesting experiment involving pine cones, that will be exciting to see how it turns out!

The last week will be all about apples. We will talk about how apples grow: parts of the apple and all the delicious things you can make with apples. We will also have a taste test to see which apples are our favorites!

We are so happy to be back at school..... so let's get this year started!!
