

Kid's Kingdom

After School Program November Newsletter 2018

We are already in November!!! We have another month of fun filled activities. But first, just a few reminders.....Parents, please make sure that your child is dressed appropriately for the cooler weather; a warm coat or sweater/sweatshirt is good as we go outside every day, weather permitting. Homework club is held every day for 30 minutes (3:30-4pm). If you have any concerns, please feel free to talk to the teachers about it.

*****Thursday and Friday, Nov 22nd and 23rd , Kid's Kingdom will be CLOSED for Thanksgiving recess.*** Have a great holiday!**

The first week of this month we will be talking about proper nutrition and the food pyramid. We will be making a paper food plate and a food pyramid puzzle to learn which are the best foods to eat to keep us healthy. We will be growing beans as our science project.

The second and third week we will be learning about the first Thanksgiving, the Pilgrims and Native Americans. We will be making Native American headbands, a spinning drum, a teepee craft, a woven placemat and a Thanksgiving thankful turkey!

The last week we will be talking about dinosaurs! We will be making a popsicle stick dino and a tissue paper dino. For our science project, we will be making fossils using salt dough. Sounds like a great week!

We would like to wish everyone a safe and Happy Thanksgiving!!

Ms. Candy

Ms. Lisa

Ms. Willy
