

Kid's Kingdom

May Newsletter for Pre K 2018

Welcome to May!! It's hard to believe that our school year is soon coming to an end. Seems like it was just yesterday that it was the first day of school! **Parents, just a reminder:** Now is the time to start bringing in sunscreen as we will be spending more time outside. Also, remember to dress your child appropriately for the weather and make sure they have a season appropriate change of clothes in their cubby.

*******Reminder.....Kid's Kingdom will be closed on Monday, May 28th in observance of Memorial Day. *******

Our goals for this month are written in accordance with the RIELDS. We will be working on letter recognition of "Y" and "Z", the numbers 18,19,20 the color yellow and the shape diamond. Our math/science goal will be to use numbers to solve simple problems. Our language/literacy goal will be to use their knowledge of letter sounds to sound out simple sight words. Our physical health and development goal will be to recognize unsafe situations. Our creative art goal will be to work on completion of a task. Our social/emotional goal will be to learn ways to resolve conflicts. Our social studies goal will be to recognize similarities and differences in people. Our cognitive development goal will be to be able to filter out distractions and stay on task.

The first week will be about bugs and insects. Some of our projects will be fingerprint ants, pompom caterpillars and paper bumblebees. Ohh.. creepy,crawly bugs! We also have a really neat experiment planned.

The second week will be about the women in our family and how they are important to us. We will be making Mom-related projects such as a MoM certificate, MoM card and fingerprint flowers. We are sure all the women who receive these crafts will be very happy!

The third week we will focus on butterflies and their life cycle. Our projects will involve making all kinds of beautiful butterfly crafts! We will also be growing and hatching our own live butterflies!

The fourth week we will focus on stories by Eric Carle. Our projects will be based on the books we will be reading such as Brown Bear, The Hungry Caterpillar, The Grouchy Ladybug and more.

The last week we will focus on our favorite authors. We will be reading books, discussing the stories and doing projects relating to the story.

This is going to be a very fun month!!! Can't wait to get started!!

Ms. Candy

Ms Maureen

Get out and enjoy this beautiful weather! Put away the hand held games, the Ipad, shut off the TV and go enjoy nature! You and your child will love spending this time together.
